Re: Child Abuse by a Priest

REDACTED

REDACTED received a call at 4:20 P.M. this afternoon from a REDACTED

REDACTED REDACTED said she is presently living in REDACTED , and the REDACTED Diocese told her to call the Archdiocese of Los Angeles.

REDACTED said she need to talk to someone about being molested by a priest between 1967 and 1969. She said the name of the priest was Father Donald Farmer at Holy Family in Glendale. She believes he is no longer a priest.

I told her that she had to put her complaint in writing to Msgr. Dyer, Office of Vicar for Clergy and I gave her the address.

REDACTED asked me to give you the above information.

MEMO OF TELEPHONE CALL

RE: REDACTED - Telephone REDACTED
Report of Molestation by a Priest in Los Angeles Archdiocese

I received a call from a woman asking to whom she could speak with regard to a molestation report. I told her I would need to check if one of the priests was available and asked if this was a recent incident to which she was referring.

She said that the matter she wished to discuss occurred a long time ago, during 1967-1969 to others and to herself in the Diocese of Los Angeles. She went on to comment that she had called "someone" in the Los Angeles Diocese who said they would not or could not talk to her about this. She then called Catholic Community Services and was told that this was not within their area. She said she got a referral to our number, but it was not clear to me from whom the referral came.

At this point, I asked her if she was calling locally and she said from the REDACTED area. I then asked if she would not mind holding while I checked with a priest.

I consulted Father REDACTED and REDACTED who was at the Chancery at the time and recommended that she get in touch with the REDACTED REDACTED (sp?) and ask him to call the woman.

I conveyed this information to the woman and asked if she felt comfortable in giving me her name. She said she did and didn't want to cause us any problems, but felt a need to deal with this situation and would appreciate our putting her in touch with the appropriate person. She did ask that when the REDACTED from Los Angeles calls her home, should someone other than herself answer (e.g. her children) to please ask for her and if she were not available to please leave a name and phone so she may call back. She does not mind him indicating that he is an attorney and where he is from, but to PLEASE NOT indicate the subject matter to anyone else. I told her that sensitive matters such as these are handled very discreetly, but I would be sure to pass on her concerns.

She then gave me her name and phone number as listed above and thanked me for the help.

This information is being provided to REDACTED so that she may contact the REDACTED REDACTED is the ArchDiocese of Los Angeles.

Former priest held on molest charges

Fresno family therapist is accused of abusing preteens in mid-'60s.

By **LOUIS GALVAN**
THE FRESNO BEE

The sign Thursday outside the northwest Fresno office of Donald Farmer, a former Southern California Catholic priest turned marriage and family counselor, reads, "Family Emergency, Appointments Cancelled."

The office was shut down Wednesday shortly after Farmer, who retired from the priesthood in 1969 and moved to Fresno, was arrested on suspicion of sexually molesting four preteen youths in San Bernardino County in the mid-1960s.

Cindy Beavers, a spokeswoman for the San Bernardino County Sheriff's Department, said Farmer, 65, was arrested at work

by Fresno County sheriff's deputies on a warrant for 14 counts of lewd and lascivious acts allegedly involving two boys and two girls, all of them younger than 13 at the time of the alleged offenses.

Bail was set at \$100,000 and Farmer was expected to be transported to the West Valley Detention Center in Rancho Cucamonga today.

Beavers said Farmer is accused of molesting the children between 1966 and 1967 in a family-owned mountain cabin in the Lake Gregory area near Big Bear.

Beavers said Farmer reportedly became a trusted friend of the youths' parents and would get permission to take the youths to the cabin on outings.

The outings, she said, were not connected to any church-sponsored programs.

Beavers said none of the children reported the alleged offenses and that an investigation was

not started until July, when one of the alleged male victims came forward and filed a complaint against Farmer.

The investigation, she said, led to the three other alleged victims.

Beavers said she is not aware of any other law enforcement investigation involving Farmer.

According to Beavers, Farmer was assigned as a priest at Holy Family Church in Glendale at the time of the alleged offenses.

After leaving the church, Farmer became a licensed marriage and family therapist.

His office for about the past year has been at a business complex at 5588 N. Palm Ave., across from Bullard High School, where he reportedly worked alone and where he was taken into custody.

A man who answered the door at Farmer's home in northwest Fresno shook his head and shut the door when a Fresno Bee reporter identified himself and asked for an interview.

Dear Cardinal Mahoney:

This letter is to request a copy of my archdiocesan personnel file. As you are probably aware, I have been charged criminally in San Bernardino Superior Court with 14 counts of child molestation, allegations going back to the time period I was assigned to Holy Family Church in Glendale, 1966 – 1969. These are false charges which appear to be part of a well-orchestrated campaign to discredit priests and the Church. Unfortunately, false or not, I am being compelled to endure legal proceedings which have great risk attached to them. In addition, my livelihood as a Marriage and Family Therapist is at risk; I have already had a severe loss of 60% of our family support just from the publicity surrounding my arrest. There seems to be no recognition of the fact that I was laicized in 1972, 31 years ago, and that there has never been even a whisper of complaint about any of my work or relationships. I have been married to the same woman since that time, and have ^{REDACTED} children between ^{REDACTED}. I have remained an active participant in Catholic life; ^{REDACTED} and I are members of a Catholic Charismatic Covenant Community, City of the Lord.

I appreciate any help you can offer and will do whatever it takes to cooperate in meeting my request. My contact address and telephone numbers are listed below. In addition, you may wish to contact ^{REDACTED} with whom I have been in contact periodically since we both ended up in Fresno. If it is necessary to use the diocesan office in Fresno to assist with my request, I will be glad to cooperate with that. I have not yet spoken to anyone in the diocesan office about this, but many of the local Pastors are aware of my circumstances.

Very truly yours,

Don Farmer

SACRA CONGREGATIO
PRO DOCTRINA FIDEI

PROT. N. 3635/71

Excellentissime Domine,

NN. DONALDUS GEORGIUS FARMER, sacerdos Archidioe-
sis Angelorum in California
petiit reductionem ad statum laicalem cum dispensatione ab omnibus oneri-
bus e sacris Ordinibus (et a religiosa Professione) manantibus, non excepto
onere servandi legem sacri coelibatus.

SS.mus D. N. PAULUS, Divina Providentia Papa VI, die 3 Martii
1972, habita relatione de casu a Sacra Congregatione Pro Doctrina
Fidei, adnuere dignatus est pro gratia iuxta sequentes Normas:

1. Rescriptum complectitur inseparabiliter reductionem ad statum laica-
lem et dispensationem ab oneribus ex sacris ordinibus manantibus. Num-
quam oratori fas est duo illa elementa seiungere, seu alterum accipere et prius
recusare. Si orator est religiosus, Rescriptum continet etiam dispensationem
a votis.

Ipsum insuper, quatenus opus sit, secumfert absolutionem a contractis
censuris et legitimationem prolis.

Rescriptum vim suam exserit a momento notificationis a competenti Prae-
lato oratori factae.

2. Si orator est sacerdos dioecesanus extra propriam dioecesim versans,
vel religiosus, Ordinarius loci incardinationis vel Superior religiosus maior
Ordinarium loci commorationis habitualis oratoris certiore faciet de pontifi-
cia dispensatione, eumque, si casus ferat, rogabit ut Rescriptum cum oratore
communicet et necessariam delegationem pro matrimonii canonici celebratione
concedat. Si vero peculiare circumstantiae aliud suadeant, praedictus Ordi-
narius ad Sacram Congregationem recurat.

3. Per se sacerdos ad statum laicalem redactus et ab oneribus cum sacer-
dotio conexas dispensatus, et a fortiori sacerdos matrimonio iunctus, abesse
debet a locis in quibus notus est eius status sacerdotalis. Ordinarius loci com-
morationis oratoris, de communi consilio, quatenus opus sit, cum Ordinario
proprio incardinationis vel cum Superiore maiore religioso, dispensare poterit
ab ista clausula Rescriptum afficiente, si oratoris dispensati praesentia scan-
dalum paritura non praevideatur.

4. Quod attinet ad celebrationem canonici matrimonii, per se Ordinarius curet ut a quacumque pompa vel adparatu abstinence et coram sacerdote probato et secreti tenaci ac sine testibus vel, si opus fuerit, cum duobus testibus, illud peragatur, cuius acta in secreto Curiae tabulario adserventur.

Ad Ordinarium loci commorationis una cum Praelato proprio oratoris, sive dioecesano sive religioso, pertinet determinare quomodo dispensatio, et pariter celebratio matrimonii, secreto sit tegenda vel communicari possit, debitis sub cautionibus, cum oratoris propinquis, amicis et conductoribus (datore di lavoro, employeur, employer), ut bonae famae ipsius oratoris consultum sit iuribusque oeconomico-socialibus ex novo statu laici et uxorati manantibus.

5. In Libris baptizatorum paroeciae sive oratoris sive compartis adnotetur consulendum esse Ordinarium loci si quando notitia vel documenta exquirantur.

6. Ordinarius, ad quem spectat Rescriptum cum oratore communicare, hunc enixe hortetur, ut vitam Populi Dei, ratione congruente cum nova eius vivendi condicione, participet, aedificationem praestet, et ita amantissimum Ecclesiae filium se exhibeat. Simul autem eidem notum faciat cuilibet sacerdoti ad statum laicalem redacto et ab oneribus dispensato vetitum esse ne:

a) ullam ordinis sacri functionem peragat, salvis iis quae habentur can. 882 et 892 par. 2;

b) ullam partem liturgicam agat in celebrationibus cum populo, ubi eius condicio est nota, neve umquam homiliam habeat;

c) ullum officium pastorale gerat;

d) munere Rectoris (vel alio munere directivo), Directoris spiritualis et Docentis fungatur in Seminariis, Facultatibus Theologicis et similibus Institutis;

e) itemque ne munere Directoris scholae catholicae neve munere magistri religionis in quibuslibet scholis, catholicis aut secus, fungatur. Attamen Ordinarius loci, pro suo prudenti iudicio, potest in casibus particularibus permittere ut sacerdos ad statum laicalem redactus et ab oneribus cum sacra ordinatione conexis dispensatus religionem doceat in scholis publicis, ex exceptione etiam in scholis catholicis, dummodo ne scandalum aut admiratio sit timendum.

Denique Ordinarius ei aliquod opus pietatis vel caritatis imponat. Tempore autem opportuno curet brevius referre ad Sacram Congregationem de peracta executione, et si qua tandem fidelium admiratio exoriatu prudenti explicatione providere.

Contrariis quibuscumque minime obstantibus.

Ex Aedibus S. C. Pro Doctrina Fidei, die 3 Martii 1972.
