Dear Carlos:

May the grace of Our Lord Jesus Christ be always with us!

By the time you receive this, I will have told you verbally everything which this letter contains, since I will be giving you this information verbally over the telephone later today. I am transferring you from your assignment at Saint Vincent's Church in Los Angeles to the Provincial House, effective today, July 4, 1987. You will be on indefinite sick-leave until such time when we and the medical people determine that you are ready to return to active ministry.

Hopefully this will provide you with the time and opportunity to take good care of yourself and to take full advantage of the resources available to you at Saint Luke Institute in Suitland, Maryland. I want you to know that I personally and the Province will be supporting you in our prayer. We will also continue to offer you every reasonable resource to help you in your journey toward wellness. Please don't hesitate to call on me if there is something that I or the Province can do for you.

You are our Vincentian brother. We continue to offer you our concern, our love and our support as you pass through this difficult time. Be assured of our prayers. May the Divine Physician be with you!

Your brother in Vincent,

MEMORANDUM

July 4, 1987

To: Archbishop Mahony

From: Msgr. Thomas Curry

Re: Situation at St. Vincent's

CONFIDENTIAL

Father REDACTED, the new Vincentian Provincial, called me this morning to let the Archdiocese know of a problem involving one of their priests.

Father Carlos Rodriguez, a newly-appointed Associate at St. Vincent's, went on vacation to the Grand Canyon this past week with two teenage boys. During the week an incident of unlawful sexual touching took place with one of the boys. This happened at night, and they may have been sharing a bed. The boy became upset, and they all returned home.

The incident came to Father REDACTED attention by way of another priest who said he had the penitent's permission to report a matter he had heard in confession. Father REDACTED refused to hear the information but asked the priest to persuade the penitent to talk to one of the Provincial's Consultors. As a result, the matter was reported to Father REDACTED on Thursday evening last.

The boy is REDACTED, is sixteen years old, and belongs to St. Vincent's. No one from the Vincentians has spoken to him. However, according to Father Rodriguez, he was very upset and apparently mentioned suing him, going to the papers, and telling people. His sister works for an attorney.

Father REDACTED consulted Mr. REDACTED the legal counsel for the Vincentians, and he referred Father Rodriguez to a criminal attorney—Mr. REDACTED who teaches at REDACTED. This attorney counsels some contact with the boy, and Farther REDACTED and those involved decided to do the following.

REDACTED will contact the boy or the family and ask to visit for the reason that the vacation seemed to end abruptly and to see if there is any problem. He will see if he can talk to the boy and, if possible, help him in any way. On the other hand, he is aware that he does not want to cause more grief for the boy or to violate confidentiality in that the boy himself may not have spoken of the matter to his family.

I talked at some length to Father REDACTED and feel that, in this case, someone does need to contact the boy.

Meantime, Father Rodriguez is out of the Archdiocese and is scheduled to go to REDACTED on Monday for evaluation. He is willing to do whatever is asked of him. Father REDACTED has removed him from the parish and is writing a letter to the Archdiocese saying that he is no longer in ministry in the Archdiocese.

I congratulated Father REDACTED on the manner he had handled this and told him I would let you know. I will keep in touch with him.

*Thank you - please keep me informed, I am concerned for the boy. Thanks!

RE: Update on St. Vincent's Situation

I talked with Father REDACTED today. As planned, REDACTED called the family involved, and the boy's sister answered the phone. When REDACTED asked to speak to the boy, her response was "about what?" She then said he was not there, but took a message and hung up abruptly.

The situation does not look good, and it would appear the boy has talked to his family. However, the sister's attitude may be explained by the fact that she is known to be anti-church. They have heard no more. Father Rodriguez is in REDACTED

Re: CHILD MOLESTATION - FR. CARLOS RODRIGUEZ

On August 6, 1987, the Archbishop's Office was contacted by Det. REDACTED REDACTED from the Southwest Div. of the L.A.P.D. He wanted to notify the Archbishop that a complaint had come in about a sexual abuse of a minor and a priest was named. The Archbishop's Office referred the call to me. Det. REDACTED stated that on August 4, 1987 a complaint was filed in that division in which a 16-year old stated that Fr. Carlos Rene Rodriguez molested him in Flagstaff, Arizona. Det. REDACTED knew of the sensitivity of the matter and when Det. REDACTED tried to contact St. Vincent's parish REDACTED, they felt they were receiving no cooperation in order to find the priest and talk to him.

The allegation is as follows:

1. Two 16-year olds were taken by Fr. Rodriguez on a trip to Arizona. They traveled from the home over to the City of Industry and spent the first night in the priest's parents home. The next night they arrived in Arizona and stayed at another friends home. Then they arrived in Flagstaff, Arizona and stayed at the Quality Inn Hotel. The room that was rented had only one bed. The witness and the priest slept in the bed. The victim felt there was not enough room for him and he decided to sleep on the floor. During the night he awakened because the priest was rubbing his penis and groin area. The victim pushed the priest away and the priest stated "I'm sorry, I'm so lonesome I need help." They returned that day to Los Angeles.
2. The victim apparently told his sister about this and approximately a month later, the mother was told. This occurred around June 30, 1987.

The police have attempted to contact St. Vincent's in order to talk to the priest and feel they are getting no cooperation. When the detective called the number that is stated above, the response was "Oh no, they reported it."

Officer REDACTED did confirm for me they have no jurisdiction over this case, since the alleged criminal act occurred in Arizona. They have been in contact with the Flagstaff police and District Attorney's Office. Flagstaff has asked them to conduct the investigation since the parties are here before they make a determination as to the case.

I then contacted Msgr. Curry's office, to discover that he did know about it, the Vincentians had reported it to us on July 4, 1987, the priest is out of state and Msgr. Curry will contact the provincial and make sure contact is made with the police.

Re: Carlos Rodriguez, C.M.

I had a chance to meet with Carlos while visiting St. Luke's and also met with him and his therapist. He has also apparently made excellent progress, and the Institute is giving him a very positive report. He has not been diagnosed as a pedophile but as having certain personality disorders that resulted from unresolved problems with authority and identity. Both according to himself and his therapist, he has changed considerably during the course of treatment.

He very much wants to continue to be a priest and to continue in ministry. I explained to him we would need to see all the reports from St. Luke's and that we would have to meet with REDACTED. Again, he seems willing to accept whatever conditions would be necessary.

He will be released this week, and I told him I would be in contact with REDACTED

Dear

We are writing to inform you that Rev. Carlos Rodriguez has completed treatment at the Saint Luke Institute as of 3-15-88. At this time we would like to share with you the summary of his progress as you requested. While in treatment, Fr. Rodriguez addressed several areas including sexuality issues, low self esteem, poor interpersonal relationships, and neuropsychological impairment.

Fr. Rodriguez continued to work on areas of sexuality throughout his treatment program. In addition to the situation which precipitated his admission into treatment, it became apparent that Fr. Rodriguez experienced an immature sexual development including significant confusion regarding orientation, the role of sexual drives in his life, and establishing appropriate boundaries in his relationships. Fr. Rodriguez was able to identify many of these areas of confusion during his program and was able to develop some supports to assist him in maintaining healthy boundaries within his current and future relationships. These supports include continuing and ongoing therapy and participation in the Twelve Step fellowship of SA/SLAA.

Overall, Fr. Rodriguez has made good progress in treatment. We believe his continuing participation in the Twelve Step programs and adherence to his Aftercare Contract suggests a good prognosis. We are including a copy of his contract for your information. We believe it can be helpful to review this with Fr. Rodriguez as a means of understanding and supporting his in his recovery program. During his aftercare program, Fr. Rodriguez will be attending workshops at the Saint Luke Institute on a six month basis. During these workshops any necessary changes in this contract can be negotiated with an aftercare therapist. We do recommend that Fr. Rodriguez be involved in a ministry that would minimize his contact with youths. In addition, it would be important for Fr. Rodriguez to be in a residence in which he would have the support of others and some clear system of accountability. These precautions are offered as additional supports to Fr. Rodriguez's aftercare program.

We appreciate the support you have shown for Fr. Rodriguez throughout his treatment at the Saint Luke Institute. We appreciate the opportunity to have worked with this fine man. Rest assured of our prayers for you and your community and for the fine work you do in Christ's church. May this upcoming Easter season be a time of blessing and renewal for you.

Dear Monsignor Curry:

I received a copy of Father Carlos Rodriguez's final report from Saint Luke Institute in this morning's mail. In our phone conversation of several weeks ago, you told me to contact you when the final report arrived so that we could discuss a ministry for Carlos.

At the present time, Carlos is at Saint Mary's Seminary in Santa Barbara, where he seems to be very happy right now, but I'm getting a little concerned that his being without a job for more than two weeks is probably not very good for him.

I would like to talk with you or meet with you whenever that might be convenient, although I will be gone April 4, 5 & 6.

Thank you for all your kindness understanding, and compassion in this situation. May the Lord revitalize you with His special grace during this Easter season.

been received well by my confreres

If I had a choice as to what
I can do in ministry, I would
choose to stay here at St. Mary's

I have used to check these ideas

I am a good friend of REDACTED

I can assert myself by inform

hope to be hearing from you soon.

Take care + May God bless.

I have contacted the Director of Family Ministry and will pursue with him the possibility in Marriage Preparation/Engaged Encounter work. I do remember the therapist telling me the prognosis for the future for Carlos was good, and it would be useful if we could get that in writing.

I will be away until April 17, but hope to be in contact with you shortly thereafter, so that we can follow-up on this.

Dear Father REDACTED

We are replying to your recent request for additional information regarding Reverend Carlos Rodriguez's treatment and prognosis. Although the presenting problem which precipitated treatment was inappropriate sexual behavior with a minor, we did not find data to justify a diagnosis of pedophilia or ephhebophilia. There are specific criteria necessary to warrant these diagnoses, which were not present in the case of Reverend Rodriguez. Instead, we would diagnose his difficulties as sexual disorder not otherwise classified, specifically sexual immaturity. REDACTED
REDACTED

REDACTED

Although there are no guarantees that relapse will not occur, we believe that Reverend Rodriguez has demonstrated good use of recovery skills while at the Saint Luke Institute. With adherence to the terms of his Aftercare Contract and program, Reverend Rodriguez would be able to minimize the possibility of relapse. Overall, his prognosis is good.

We would reiterate that the Saint Luke Institute will continue to be a support in Reverend Rodriguez's recovery. A Re-entry Workshop has been designed to strengthen Reverend Rodriguez's program, as well as to educate other persons to his disorder. The Re-entry Workshop can also facilitate others in identifying ways in which they can support Reverend Rodriguez in his steps of recovery. Relapse is not necessarily a spontaneous event. By providing local resources that Reverend Rodriguez can utilize as a support network, any movement toward relapse can be identified and addressed in its initial stages.

ASSOCIATE DIRECTOR:

TO: REDACTED
FROM: REDACTED
DATE: June 6, 1988^U
RE: Fr. Carlos Rodriquez, C.M.

This is to confirm our conversation on the phone regarding the status and understanding of Fr. Carlos' involvement with the Office of Family Life. Having spoken to you, Fr. Carlos, Msgr. Tom Curry, REDACTED and Bishop Ziemann, this is the basic understanding:

Fr. Carlos would be hired to work part-time (officially: 18 hours per week) for the Office of Family Life and be put on the archdiocesan payroll, as of July 1, 1988. He will be accountable to me, personally, but will be directly supervised by REDACTED who works with the Spanish speaking. Our understanding is that he will work mainly with the Spanish-speaking in the Santa Barbara region through the programs sponsored by our office. He is also encouraged to become involved in the Marriage Encounter and Engaged Encounter in English and Spanish.

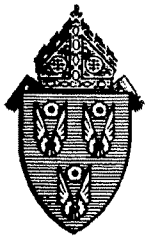

Carlos will work closely with REDACTED our regional consultant in the Santa Barbara region. We, with the cooperation of Bishop Ziemann, have been given another office in the Bishop Diego Center in Santa Barbara for Carlos' use. My understanding regarding travel is that the Vincentian community will provide Carlos with a car and that our office will take care of mileage at \$0.21/mile.

The length of time for this arrangement is open-ended and will be mutually worked on, depending on the agreement of all parties involved. Our hope would be that it would continue for at least a year and be re-evaluated at that time.

I hope this covers all the necessary elements. If I have left anything out or you need clarification of any particular issue, please call. I ask God to bless all of us involved in these decisions. I feel very positive and optimistic about this agreement and the involvement of Carlos in our office and ministry. Thank you.

RE: _____

Father REDACTED called this morning to ask if we could give him a hand with a problem.

One of their priests, Fr. Carlos Rodriguez, now at St Mary Seminary in Santa Barbara has it in his head that if he goes to Mexico in sabbatical for a few months and then return The Archdiocese will approve his being assigned to a parish.

There is a C-file on Father Carlos. He was sent to St. Luke's by the Order. After that I believe Msgr. Curry helped in getting him assigned part-time to Family Life Santa Barbara faculty for awhile.

Father REDACTED indicates Fr. Carlos simple cannot/will not learn by leaving. All our attempts to convince him that he cannot be assigned to parish ministry here fall on deaf ears.

It would help Father REDACTED a great deal, therefore, if he himself had a letter from us indicating that "in response to your inquiry" I have to tell you that(words to the affect that the Archdiocese would not be willing to confirm Father Carlos' assignment to parish ministry here.) He feels this might serve to rid Father Carlos of his conviction that all he has to do is go away and come back and all will be well.

Father REDACTED says "I couldn't have him here (at St Vincents') The ~~girl's~~ ^{boy's} parents live right across the street."

Would you look over the file perhaps talk to Msgr. Curry, and decide whether we can give Father REDACTED the letter he needs?

MEMORANDUM

May 17, 1992

TO: Msgr. Curry
FROM: Father Timothy Dyer
RE: Attached

Would you mind reviewing the memo from ^{REDACTED} and the file on Fr. Carlos Rodriquez (which I have just read). I see no problem in my sending ^{REDACTED} the kind of letter he is requesting. ^{REDACTED} suggests you may have advice on the matter. I will then write after getting in touch with ^{REDACTED} to clarify a few things: was his supervisor in Santa Barbara informed of any restrictions in Fr. Rodriquez' ministry? what's been his record and has he been faithful to the aftercare contract over the last four years? Any further reports from ^{REDACTED} from his six-month check-ups?

Thanks for any help you can offer in this case.

To Msgr. Dyer:

I am quite familiar with Carlos' case. His behavior was serious and egregious, and I do not see how he could be assigned to parish ministry. I am pleased that ^{REDACTED} sees that clearly and disappointed that Carlos does not. This touches on what you have very cogently noted in the past, the importance of moving and continuity and the need of extended policies over a long period.

This is also probably a crucial time for Carlos. He needs to know that he cannot go back to parish for a long time, if ever. That may be a source of crisis for him in which he needs support and direction. But it may also help him decide for the future and better appreciate the depth of the problem he faces.

I encourage you to assist ^{REDACTED} & think the Vincentians were very responsible. Let me know if I can be of further help.

Dear Father REDACTED

In your recent communication, you indicated to me that one of your priests, Father Carlos Rodriguez, would like to seek a parish assignment here in the Archdiocese following a sabbatical in Mexico.

In response to that inquiry, I have to tell you that given the nature and details of the case in our files, the Archdiocese would not be willing to confirm an assignment to parish ministry for Father Rodriguez.

While I understand that this may be upsetting to Father Rodriguez, it would be clearly unfair if I were to hold out any illusions that we would confirm such an assignment.

We do not wish to hold over Father's head a sentence of condemnation to his person, but in cases of this nature, which we consider so serious, we must take every precaution to prevent further victimization.

If this decision becomes a source of crisis for Father Rodriguez, I hope it will in the long run help him better appreciate the depth of the problem he and we face in this regard, and that it will motivate him to seek whatever support and direction he needs to make future decisions.

If you have any other questions about this, I would be more than happy to work with you.

Sincerely yours in Christ,

I have received your message via REDACTED concerning Father Carlos Rodriguez.

Attached is a letter that I will be happy to alter in any way that would best suit your needs.

I want to take the opportunity not only to offer my support for you in these decisions, but to tell you that few if any of the Provincials with whom I have worked handle these matters with as much clarity and decisiveness as you do.

Please know that I will be more than happy to serve you in this and any other matter in the future.

Dear Very Rev. Monsignor Timothy J. Dyer,

I write in response to the article in the TIDINGS (dated Sunday, October 17th) making an official announcement to all priests on leave of absence from their own diocese or religious priest residing outside their own communities to renew their faculties which will expire October 31, 1993.

I am a Vincentian priest out on a leave of absence from my community. I wish to formally request permission to renew my faculties in the Los Angeles Archdiocese for the coming year. I formally took leave from my community March of 1992. My hope is to return after this process of discernment.

Monsignor Timothy, I am grateful to you and your wonderful staff for your dedication and your service. Please keep me in your prayers, as I walk with the Lord in discernment, and I will keep you in mine. May God bless you!

Sincerely yours in Christ,

Our records indicate that your faculties were terminated as of April 1, 1993, at which time we were notified by your Order that you would be living outside your religious community.

Thus I cannot accede to your request.

Re: Fr. Carlos Rodriguez

Thank you very much for sending me copies of those two letters, from and to Carlos Rodriguez.

I don't think he is malicious or deceptive. He just doesn't get it!

Last week I heard through the grapevine that he has been "helping out" on Sundays at a parish in the Orange Diocese. My letter approving his "leave" explicitly states that his faculties are suspended "which means you cannot celebrate the sacraments publicly or privately." I immediately phoned REDACTED and told him what was happening. Again, I have no doubt that there is no malice involved; he just doesn't get it!

Those letters did ruin my day yesterday--when I read that he plans to return when his "leave" is over.

Thanks!

CONGREGATIO DE CULTU DIVINO ET DISCIPLINA SACRAMENTORUM

PROT. N. 83/98/S

D.nus CARLOS RENE RODRIGUEZ, sacerdos, Congregationis
Missionis,

petiit dispensationem a sacerdotali coelibatu et ab omnibus oneribus sacrae
Ordinationi conexas.

SS.mus D. N. Ioannes Paulus, Papa II,

die 7 aprilis 1998

habita relatione de casu a Congregatione de Cultu Divino et Disciplina Sacra-
mentorum, precibus annuit iuxta sequentes rationes:

1. Dispensatio vim habet ab ipso momento concessionis.
2. Dispensationis Rescriptum, a competenti Ordinario oratori notificetur et amplectitur inseparabiliter dispensationem a sacerdotali coelibatu et simul amissionem status clericalis. Numquam oratori fas est duo illa elementa seiungere, seu prius accipere et alterum recusare. Si vero orator est religiosus, Rescriptum concedit etiam dispensationem a votis. Idemque insuper secumfert absolutionem a censuris, quatenus opus sit.
3. Notitia concessionis dispensationis adnotetur in libris baptizatorum pa roeciae oratoris.
4. Quod attinet ad celebrationem canonici matrimonii, applicandae sunt normae quae in Codice Iuris Canonici statuuntur. Ordinarius vero curet ut res caute peragantur sine pompa vel exteriore apparatu.
5. Auctoritas ecclesiastica, ad quam spectat Rescriptum oratori notificare, hunc enixe hortetur, ut vitam Populi Dei, ratione congruendi cum nova eius vivendi condicione, participet, aedificationem praestet et ita amantissimum Ecclesiae filium se exhibeat. Simul autem eidem notum faciat ea quae sequuntur:
 - a) sacerdos dispensatus eo ipso amittit iura statui clericali propria, dignitates et officia ecclesiastica; ceteris obligationibus cum statu clericali conexas non amplius adstringitur;
 - b) exclusus manet ab exercitio sacri ministerii, iis exceptis de quibus in cann. 976, 986, § 2 ac propterea nequit homiliam habere. Insuper nequit fungi ministerio extraordinario sacrae Communionis distribuendae nec potest officium gerere directivum in ambitu pastoralis;
 - c) item nullum munus absolvere potest in Seminariis et in Institutis aequiparatis. In aliis Institutis studiorum gradus superioris, qui quocumque modo dependent ab Auctoritate ecclesiastica, munere directivo vel officio docendi fungi nequit;

11515

d) in iisdem vero Institutis studiorum gradus superioris ab Auctoritate ecclesiastica non dependentibus nullam disciplinam proprie theologiam vel cum ipsa intime conexam tradere potest;

e) in Institutis autem studiorum gradus inferioris dependentibus ab Auctoritate ecclesiastica munere directivo vel officio docendi fungi nequit nisi Ordinarius, pro suo prudenti iudicio et remoto scandalo, ad munus docendi quod attinet, aliter decernere aestimaverit. Eadem lege tenetur sacerdos dispensatus in tradenda Religione in Institutis eiusdem generis non dependentibus ab Auctoritate ecclesiastica.

6. Per se presbyter a sacerdotali coelibatu dispensatus et a fortiori matrimonio iunctus, abesse debet a locis in quibus eius antecedens condicio nota est. Ordinarius loci commorationis oratoris tamen, audito quatenus opus erit, Ordinario incardinationis vel Superiore maiori religioso, dispensare poterit ab ista clausula Rescripti, si oratoris praesentia scandalum paritura non praevideatur.

7. Denique ei aliquod opus pietatis vel caritatis imponatur.

8. Notificatio dispensationis fieri potest vel personaliter per notarium aut ecclesiasticum actuarium vel per «epistulas perscriptas» (raccomandata, certificada, enregistrée, registered, einschreiben). Orator unum exemplar restituere debet rite subsignatum ad fidem receptionis et acceptionis eiusdem dispensationis ac simul etiam praeceptorum.

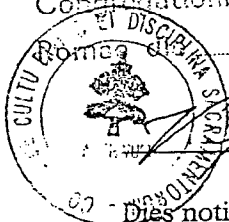

9. Tempore autem opportuno Ordinarius competens breviter ad Congregationem de peracta notificatione referat et, si qua tandem fidelium admiratio adsit, prudenti explicatione provideat.

Contrariis quibuscumque minime obstantibus.

**CONGREGATION FOR DIVINE WORSHIP AND
THE DISCIPLINE OF THE SACRAMENTS**

Protocol Number 83/98/S

CARLOS RENÉ RODRIGUEZ, priest of the Congregation of the Mission, has asked for a dispensation from priestly celibacy and from all the burdens of sacred ordination.

His Holiness, Pope John Paul II, on 7 April 1998, having received the report on the case from the Congregation for Divine Worship and the Discipline of the Sacraments, has granted the request in accord with the following considerations:

1. The dispensation takes effect from the very moment of being granted.
2. The petitioner is to be notified of the rescript of dispensation by the competent Ordinary. It includes inseparably the dispensation from priestly celibacy as well as the loss of the clerical state. It is never lawful for the petitioner to disjoin these two elements, i.e., to accept the first and to refuse the second. If the petitioner is a religious, the rescript also grants a dispensation from vows. In addition, it also includes absolution from censures if such is needed.
3. Notice of the dispensation's grant should be recorded in the baptism register of the petitioner's parish.
4. With regard to the celebration of a canonical marriage, the norms laid down in the Code of Canon Law are to be applied. But the Ordinary should see to it that such arrangements are carried out with caution and without pomp or outward display.
5. The ecclesiastical authority whose responsibility it is to communicate the rescript to the petitioner should earnestly exhort him to participate in the life of the People of God in a manner which is in harmony with his new condition in life, to give good example, and thus to show himself to be a most loving son of the Church. But at the same time he should inform him of the following:
 - a) A dispensed priest by the fact of his dispensation loses the rights proper to the clerical state and his ecclesiastical dignities and offices. He is no longer bound by the other obligations connected with the clerical state.
 - b) He remains excluded from the exercise of sacred ministry, with the exceptions mentioned in Canons 976 and 986, §2. He cannot, therefore, give a homily. In addition, he cannot discharge the extraordinary ministry of distributing holy communion, nor can he perform a directive office in the pastoral field.
 - c) He likewise cannot perform any function in seminaries or equivalent institutions. In other institutions of higher studies which depend in any manner upon ecclesiastical authority, he cannot discharge a directive function or the office of teaching.
 - d) In institutions of higher studies which do not depend upon ecclesiastical authority, he cannot teach any properly theological discipline or one that is closely connected with such a discipline.

11517

e) In institutions of lower studies which depend upon ecclesiastical authority, he cannot discharge a directive function or office of teaching unless the Ordinary, according to his prudent judgment and with scandal removed, should judge to decide otherwise with regard to the role of teaching. A dispensed priest is bound by the same law in teaching religion in institutions of this type which do not depend upon ecclesiastical authority.

6. A priest who has been dispensed from priestly celibacy, precisely in view of his condition and all the more so if he is married, must not live in places where his previous condition is known. Nevertheless, the Ordinary of the place where the petitioner lives, if necessary after having consulted with the Ordinary of incardination or with the major religious superior, can dispense from this clause of the rescript if the presence of the petitioner is not foreseen to give rise to scandal.

7. Lastly, some work of piety or charity should be imposed [on the petitioner].

8. Notification of the dispensation can be made either personally through an ecclesiastical notary or clerk or by way of registered mail. The petitioner is to return a duly signed copy of the rescript in proof of his having received and accepted the dispensation together with its stipulations.

9. At an opportune time the competent Ordinary should send a brief report to this Congregation concerning the execution of this rescript; and, if there be any wonderment on the part of the faithful, a prudent explanation should be provided.

All other contrary provisions notwithstanding.

From the Office of the Congregation, 7 April 1998.

Understanding the Rescript

Section 4-b of the rescript makes reference to canons 976 and 986, §2. These canons refer to the ability to give sacramental absolution in danger of death. The texts declare:

Can. 976 – Even though he lacks the faculty to hear confessions, any priest validly and licitly absolves from any kind of censures and sins any penitent who is in danger of death, even if an approved priest is present.

Can. 986, §2 – In urgent necessity any confessor is obliged to hear the confessions of the Christian faithful, and in danger of death any priest is so obliged.

Canon 976 is quite clear and needs no comment. It is the second clause of canon 986, §2 that applies in this situation. Basically, it states that there is a responsibility to use your power to absolve in order to aid someone in danger of death. Thus, even if that means revealing your status to others who were not previously aware of that, the need of the penitent in danger of death would be paramount.

In interpreting the other stipulations in the rescript, the provisions of canon 18 come into play. Since these stipulations "restrict the free exercise" of baptismal rights, they are subject to a "strict" (i.e., narrow) interpretation. This means that only those matters clearly under the scope of the stipulations are prohibited. If some function is not clearly forbidden, then it is permissible. For example, although serving as a Eucharistic minister is prohibited, there is no prohibition from serving in the function of lector.

Section 3 speaks of observing the norms of the Code of Canon Law in celebrating a canonical marriage. This simply means that the same regulations governing marriage preparation and celebration that hold for any Catholic apply to you. The only restriction in your case is that the celebration is to be carried out in such a way that respects the sensibilities of the faithful who knew you as a priest.

07/04/87 Excerpts from Msgr. Curry's to Ab. Mahony: REDACTED of the Vincentians called me to let me know of a problem involving one for their priests. Father Rodriguez, a newly-appointed Associate at St. Vincent's, went on vacation to the Grand Canyon this past week with two teenage boys. During the week, an incident of unlawful sexual touching took place with one of the boys. This happened at night, and they may have been sharing a bed. The boy became upset, and they all returned home. The boy told his sister about this. His mother was informed a month later. The incident occurred around June 30. The family REDACTED The incident came to Father REDACTED attention by way of another priest who said he had the penitent's permission to report a matter he had heard in confession. Father REDACTED has removed him from the parish, and he is scheduled to go to REDACTED for an evaluation. 08/16/87 The boy went to the police to file a report. 04/01/93 Faculties were revoked. Loomis to inform him that Carlos R. Rodriguez, a former member of the Congregation of the Mission, has received a rescript from the Holy See dispensing him from priestly celibacy and the burdens of sacred ordination. This rescript was dated April 7, 1998. He met with him on 05/22/98 to conclude his departure from the priesthood and from membership in the Congregation. Mr. Rodriguez is currently employed by the St. Vincent de Paul Society and is in residence with his parents in the City of Commerce. 01/20/99 File sent to Archives.

That custodian of records of THE ROMAN CATHOLIC ARCHDIOCESE OF LOS ANGELES has in his/her possession or under his/her control the following documents:

The subpoenaed documents and other materials include, but are not limited to, all records pertaining to the assignment history and, if applicable, the transfer of Carlos Rodriguez from one parish to another.

If documents or other material have been moved outside of the Archdiocese of Los Angeles, a declaration shall be prepared identifying the documents or other materials that were transferred, when the documents or other materials were transferred, the location where the documents and other materials were transferred, and who was involved with the transfer. All documentation pertaining to the transfer is requested.

for which a privilege is asserted, the subject matter of the item for which a privilege is asserted, the names of all individuals appearing on the item for which a privilege is asserted, and the basis for the asserted privilege.

That the above documents are material to the issues involved in the case by reason of the following facts:

I, REDACTED being a Deputy District Attorney for the County of Los Angeles, have been informed by REDACTED a sworn peace officer, as defined by Penal Code Section 830.1, employed by the Los Angeles Police Department, currently assigned to the Juvenile Division, Sexually Exploited Child Unit, investigating cases involving allegations of child sexual abuse by Catholic priests, of the following:

She is the lead Investigating Officer in the case involving defendant Carlos Rene Rodriguez. In connection with her investigation of the defendant, she interviewed two victims who allege that they were sexually abused by the defendant when they were children.

Through her investigation she learned that a sixteen-year-old boy reported to police in 1987 that the defendant had sexually abused him during a trip the victim took with the defendant to Arizona. Upon his return from Arizona the victim told his family what the defendant had done to him. The victim's family took the victim to the police and a police report was made in 1987.

The detective investigating that case in 1987 spoke with the defendant's supervisor, REDACTED REDACTED told the detective that the church was aware of the situation and that the defendant was currently hospitalized and receiving therapy in Maryland.

Based on this information it is believed that documentation pertaining to the defendant's sexual abuse of that victim and the measures the church took to investigate that incident prior to sending the defendant to Maryland for therapy is in the possession of the Roman Catholic Archdiocese of Los Angeles.

Detective REDACTED interviewed the defendant in July of 2002 and asked the defendant if there were any other victims he had sexual contact with. The defendant stated that there was another sixteen-year-old boy in Santa Barbara with whom he had sexual contact sometime in the mid-to-late 1980's. The defendant stated this victim had reported the abuse to church officials, one of whom approached the defendant about the abuse. The defendant stated that it was at that time he decided to leave the priesthood.

Based on this information it is believed that documentation of the second victim's allegations and circumstances surrounding the abuse and the defendant's ultimate "retirement" exists and is in the possession of the Roman Catholic Archdiocese of Los Angeles. Specifically, it is believed that the officials to whom the victim reported the abuse, as well as the official who actually confronted the defendant, will have documented any conversations they had with the victim, his family, and the defendant regarding the incident.

ATTORNEY-CLIENT COMMUNICATION

REDACTED

Archdiocese of Los Angeles
3424 Wilshire Boulevard
Los Angeles, California

**RE: ASSERTION OF ATTORNEY CLIENT PRIVILEGE BY
CARLOS RODRIGUEZ**

Dear Ms. REDACTED

Amid the current maelstrom regarding allegations affecting the Archdiocese, I find it necessary formally to direct you to assert my legal rights regarding any files, reports, statements, or communications concerning allegations involving me. I learned with concern of the issuance of subpoenas requiring the Archdiocese to turn over "all documentation" concerning such allegations, since that broad request could cover matters in files in which I have an interest.

In that context, I hereby direct you to assert the rights I hold under the Attorney-Client Privilege concerning any documents relating to allegations against or involving me. I similarly direct you to assert my rights under all other privileges and rights of privacy or confidentiality affecting me, including, but not limited to, the therapist-patient and physician patient privileges, the Medical Information Act [Civil Code Section 56 *et seq.*], 42 USC 290 [dd], and the Right of Privacy enumerated in the California Constitution and contained in the United States Constitution.

Most particularly, the leading case of *Chadbourne v. Superior Court* [1964] 60 Cal.2nd 723, 36 Cal. Rptr. 468, held that where a corporation investigates a matter and prepares reports relating to potential legal claims against it or an employee, such information is protected by the Attorney-Client Privilege. It further held that, "When the employee of a defendant corporation is also a defendant in his own right (or is a person who may be charged with charged with liability), his statement regarding the facts with which he or his employer may be charged, obtained by a representative of the employer and delivered to an attorney who represents (or will represent) either or both of them, is entitled to

254284

SEP 17 2003

the attorney-client privilege on the same basis as it would be entitled thereto if the employer-employee relationship did not exist . . .”

Clearly, I could be liable for the alleged conduct, and I therefore am a co-holder of the legal privilege. Evidence Code Section 955 *requires* that the privilege be asserted by you.

Interestingly, in the very recent case of *People v. Superior Court [Laff]* [2001] 25 Cal. 4th 703, 107 Cal. Rptr.2nd 323, the California Supreme Court **unanimously** rejected a claim by the District Attorney of Los Angeles that such privileges do not apply to documents seized under a search warrant, and observed that the custodian of records affected by the privilege **must** assert it “at every peril to himself.”

I would be very happy if you will discuss this important direction with my attorney,
REDACTED

Yours in Christ,

Carlos Rodriguez

Dear Father REDACTED

I am writing to inform you that on May 19, 2008 I met with Mr. REDACTED who was a victim of sexual abuse by Carlos Rodriguez, formerly a Vincentian priest who had been stationed at St. Vincent de Paul Parish in Downtown Los Angeles, and subsequently, in residence at St. Mary Retreat Center in Santa Barbara.

Mr. REDACTED came with his wife, his mother and with his brother, REDACTED and I had present REDACTED who heads up our Victims Assistance Ministry.

REDACTED is really suffering very profoundly from the abusive treatment, and has many personal problems flowing from that abuse.

While REDACTED and I were grateful for the opportunity to listen to REDACTED's story, I really think it would be important for you as the Provincial to schedule a personal meeting with REDACTED his wife, his mother, and his brother. I think they would benefit greatly from a personal apology from you as Provincial, now that they have received one from me on behalf of the larger Church.

For contact information, please get in touch directly with REDACTED at: REDACTED

Thanking you for your willingness to follow-up with this matter, and with kindest personal regards, I am

Fraternally yours in Christ,

His Eminence
