Assistance Ministry of the Archdiocese of Los Angeles (English Box) Received 10:05 AM, Tuesday, March 12, 2002 -- X. REDACTED

My name is REDACTED My phone number is REDACTED And the complaint deals with my two sons who were students at Crespi, hum Carmelite High School in the '70s.

They are grown men now, but they have never forgotten the treatment they received at the hands of Father Dominic Sorbino (Savino.) Hum, and I hope that I receive a call back because the Church is finally taking some kind of action, and I want to have some satisfaction and so do my sons. Hum, my sons' names are REDACTED and REDACTED and REDACTED. They were 15 at the time.

Thank you for your attention.

March 22, 2002

Dear Members of the Crespi Carmelite High School Family:

I greet you in the name of Jesus the healer, Jesus the minister, Jesus the redeemer.

During these final days of Lent, the Church asks us to examine our own consciences, to resolve any wrongs we may have committed, to seek forgiveness, do penance and anticipate the Risen Lord of Easter.

In this Lenten season, in diocese after diocese, the U.S. Church has been burdened and besieged by a most serious matter—a series of unfortunate reports of sexual misconduct with minors by members of the clergy.

I am very saddened to inform you that this issue has now reached this community.

Rev. Dominic Series, & Canac; has been removed as President of Crespi Carmelite High.

School by the Province of the Most Pure Heart of Mary of the Order of Carmelites. Effective immediately, REDACTED an experienced member of our community and the founding principal of Crespi Carmelite High School, will assume the position of Acting President.

The Carmelites have made all the necessary and appropriate reports to the Archdiocese of Los Angeles and to civil authorities about this matter. Permit me to explain.

Last week, an allegation of inappropriate behavior involving two minors some 23 years ago was made against Father Savino. At the time of the alleged incident, the minors were Crespi students and Father Savino was a member of the faculty. This allegation was reported through the telephone hotline established by the Archdiocese of Los Angeles to receive and process information about allegations of clerical sexual misconduct with minors.

In the course of investigating this initial allegation, the Province learned of several past incidents of sexual misconduct with minors, who were not Crespi Carmelite High School students, by Father Savino. Father Savino has been very cooperative in this investigation.

After consultation with an advisory group to the Provincial Council, and the Council itself, the Carmelites have removed Father Savino from his assignment and from active ministry. He has been placed under supervision by me. Pursuant to our policies, Father Savino will be offered appropriate professional evaluation and treatment as necessary. These actions are consistent with the Province's policies on sexual misconduct with minors.

1317 Frontage Road • Darien, Illinois 60561-5376 Telephone (630) 971-0050 • Telefax (630) 971-0195 We are actively investigating all of the reported incidents involving Father Savino and will take appropriate action in accordance with our policies and any other appropriate organization. In addition, we will cooperate with the requirements of all appropriate civil authorities.

I encourage anyone who has any concerns, issues or information to share them with us as we continue to investigate and resolve this serious matter. To facilitate conversations, we've arranged to have counselors available at the high school Friday afternoon, March 22 and also on Sunday, March 24, from 1:00 P.M. to 4:00 P.M. Experienced counselors will be available to talk with anyone about any aspect of this matter or the issue of clerical sexual misconduct with minors.

You are also welcome to call Crespi Carmelite High School anytime at the following number: REDACTED and a Carmelite will respond to you as soon as we are able.

The Carmelites believe that we must act responsibly and compassionately to all victims of sexual misconduct, their families and their communities who are devastated by this behavior. On behalf the Carmelites, I apologize to all who are affected by the tragedy of clerical sexual misconduct with minors.

I pray for the healing of all victims, their families, their communities, and I ask God to grant Father Dominic peace.

Sincerely yours, REDACTED
