Hand Delivered

I wanted to talk to someone in person because I do not feel my home call was answered seriously and no one phoned back. Several members of the Knight of Columbus and I are extremely concerned about the things being heard about Father Scott.

Another chapter of the Knights of Columbus has warned that Father Scott has touch children in a sex way in other churches. When he is caught he moves to another church, this has happened many times.

Please read this letter so we have our talk.

Sincerely,

For our meeting

Dear Sirs,

The reason I am bringing this to you in person is that my phone calls and letters have not been answered.

In my phone calls I have told you in the Knights of Columbus several members have heard from other clubs that Father Scott has been caught having sex with children.

This was at schools before Mary Star of the Sea here on San Pedro. At the other churches he was moved when parents complained so why can't he be moved away from here.

At our club we know of 3 children in San Pedro that Father Scott had sex with the last year. The parents complained and promises were made but we want him out.

With this letter and meeting I am demanding that I receive an answer in a week. That is more than enough time to give me a straight answer.

Respectfully
